The Usual Place

The Usual Place is a not-for-personal profit cafe, meeting and events space.

All money made in the cafe and through room and space rental is used to provide employability and citizenship opportunities for young people aged 14-26 with additional support needs.

Young people, who choose to become trainees at The Usual Place, work alongside a dedicated team of staff (mentors) and volunteers, whilst they gain confidence, vocational skills and qualifications.

Our young people are also able to connect with other local organisations who introduce them to a range of social and citizenship opportunities they may like to take part in and contribute to.
