## Our Core Values

- ♥ Everyone is of equal worth
- ♥ Everyone can contribute to their community
- ♥ Everyone deserves dignity and respect

The Usual place is an award winning organisation, a World Host Destination and a Disability Confident Leader.

We provide training, education and employability skills for young people with additional support needs. Many of the young people who have thrived through our programmes would previously have been invisible, excluded, at risk of isolation and loneliness and importantly, unable to fulfill their potential as valuable, active citizens contributing positively to their communities.

We focus on promoting the innate talents and capabilities of young people, enabling and empowering everyone to flourish, and challenging stereotypes.

**All the money we make in the cafe, and from room and event rental is used to cover business costs in support of our aims.**

**Every area of The Usual Place is fully accessible and wheelchair friendly throughout.**

**We also have an award winning Changing Places Toilet.**

**We are a very busy cafe and tables can be booked in advance by calling 01387 253485**
