# The Usual Place

The Usual Place is an award-winning organisation and a Disability Confident Leader. We first opened our doors as a community café in 2015 and provide training, education and employability skills for young people with additional support needs.

Many of the young people who have thrived through our programmes would previously have been invisible, excluded, at risk of isolation and loneliness and importantly, unable to fulfil their potential as valuable, active citizens contributing positively to their communities.

We focus on promoting the innate talents and capabilities of young people, enabling and empowering them to flourish, and challenging stereotypes.

## Thank you for supporting The Usual Place

All the money we make in the café, and from room and event rental is used to cover business costs in support of our aims.

## Meeting Rooms

We have rooms available to hire for meetings and events.
